

We are LTB400, a specialized IT system for the management, planning, and documentation of aircraft maintenance.

Our goal is to make processes in aviation technology digital, secure, and efficient.

We operate and develop our own enterprise resource planning and maintenance management system internally and are looking for reinforcement in the IT area.

To strengthen our team, we are looking for a

IT system administration (m,f,d)

Responsibilities:

- ✦ IT system administration
- ✦ Personal responsibility and independent work

Required Skills and Experience:

- ✦ Experience in IT system administration (e.g. ESET)
- ✦ Analytical thinking and interest in setting up a complete system
- ✦ Ability to work in a team and willingness to learn new technologies
- ✦ Committed and motivated
- ✦ Very good German and English skills

What we offer:

- ✦ Flexible working hours and a modern working environment.
- ✦ Long-term prospects in a growing company
- ✦ Collaboration in a dedicated team
- ✦ After a successful probationary period, there is the option of working in a hybrid model

We look forward to receiving your complete application documents, stating the earliest possible starting date and your salary expectations for the attention of Mr. Christian Brunnbauer. Ideally, you should send your application by e-mail to kevin.werbelow@ltb400.com.
